Read: 1. Note No. DDSCM/SBRAP/2024-2025 dtd 10/10/2024 submitted by the Director (D,S,P&SCM)

2. KSIDC/TVM/IF-213/2024/3547 dated 11th March 2024 of Managing Director, KSIDC.

ORDER

The Department for Promotion of Industry and Internal Trade (DPIIT) has released the State Business Reforms Action Plan (SBRAP) for the year 2024, as part of the exercise of ranking the states on Ease of Doing Business (EoDB) indices. The SBRAP 2024 comprises 344 reform recommendations, which includes 287 reforms pertaining to the States. These reform proposals have to be implemented by the respective agencies.

Reform No. 178 of the State Business Reform Action Plan of 2024 lays down recommendations for mandating a process of self-certification by contractors, quality check by third party agencies and associated procedures for external electrical installation works.

Considering the recommendations therein, the following are ordered

1. Licensed electrical contractors executing external electrical installation works which include supply of materials for the work also, shall submit self-certification of their works to the agreement authority, regarding the quality of the works as well as conformance to relevant Regulations and standards on completion of the work.

2. Contractors executing works will be responsible for rectifying defects in the installations if any for a further period of three years from the date of completion and energisation of the works. The contractor shall conduct periodical inspection (yearly/6 months as per agreement) of the work and issue compliance certificate to the agreement authority regarding conformance to relevant regulations and standards.
3. Third party Project Management Agencies, if entrusted as part of the agreement, shall carry out certification of the works regarding the quality of the works as well as conformance to relevant Regulations and standards on completion of the work.

The procedure above shall not be applicable to labour contract works where materials are issued by Kerala State Electricity Board Limited.

The procedure above shall not curtail rights and responsibilities of officials of Kerala State Electricity Board Limited in ensuring quality of these works as well as conformance to relevant Regulations and standards.

Orders are issued accordingly.
